

AWARENESS EVENT

27-29/07/2021

EVENT 1 Armenia

Awareness event “Protect-Streams-4-Sea” Project

“Young Foresters Union” NGO from Armenian is implementing the “Protecting streams for a clean Black Sea by reducing sediment and litter pollution with joint innovative monitoring and control tools and nature-based practices (BSB963)” with the acronym “Protect-Streams-4-Sea” funded under the EU INTERREG IV “Black Sea Basin Joint Operational Programme 2014-2020” along with 4 additional organizations from 4 other partner countries. In Armenia, the project activities are carried out in the Debed River basin.

A total of 70 participants were participating in the awareness event that was organized within the framework of the project at the School Forest District’s Field Training Center near Koghb village, Tavush region during July 27-29, 2021. The participants included the head of Koghb enlarged community, community Council members, the director and staff of the Armenian branch of the World Wildlife Fund, members involved in the school forest district, participants/schoolchildren from the settlements adjacent to the Debed River, as well as the relevant specialists of the project.

The program of the event was very rich and interesting designed with presentations on environmental issues, competitive assignments, painting contest on environmental themes, orienteering sports in the forest, while in the evenings artistic events around the bonfire were organized. Cleaning works of the nearby river and coastal areas was organized on the last day of the event. The winners of the contests were rewarded with special gifts.
